Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

I have been living in The Ward for almost 20 years. This was a peaceful, quiet area until the North runway opened last August.

For our family of four (2 children aged 4+6) our enjoyment of our home and garden has been severely impacted.

The noise from the current flightpath is intolerable.

It is causing huge distress and disturbance for myself, my family and tens of thousands of people not to mention the negative health effects + illnesses which can be attributed to excessive aircraft noise.

The prospect of granting further changes to increase the day hours + night flights seems ludicrous when there is a major noise issue already in place.

The flightpath must be changed back to what was proposed in 2007.

An oral hearing is absolutely necessary given the gravity of the situation.

Regards, Hugh Donohoe.
