## Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

Noise from aeroplanes flying over from early morning (6 AM) and the rest of the day. My wife and I are awakened every morning at 6 AM from aeroplane noise.

It is interfering with the quiet enjoyment of our property.

The noise is very noticeable when out in the garden or sitting on our patio.

Unlimited night flights, trying to sleep with aircraft noise close or over our home all night long. As it is we are awake from 6 AM due to aircraft noise.

The flight paths must be changed back to what was proposed in 2007

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

Section 5 continued.

Our enjoyment of our home and garden has been severely impacted since the opening of the North Runway.

The prospect of further changes to increase the day hours and night flights seems ridiculous when there is a major NOISE issue already in place.
