An Bord Pleanála, 64 Marlborough Street, Dublin 1, D01 V902

Dear Sir/Madam,

## Re: Dublin Airport Authority's plan to change flight

I want to make an observation on daa plc's plans for Dublin Airport concerning changing the flight arrangements. I do this as a resident and someone directly affected by their actions.

I object to the change proposed by Dublin Airport to the new times of 6 am to midnight. I note from previous activities that Dublin Airport cannot be trusted to maintain this time band. My family is often awakened by the landing of flights at 4 am most mornings.

I object to removing the night-time movement cap (65 flights per night) proposed by Dublin Airport, as they have consistently breached this numerous times despite their public announcements. While some have claimed more modern aircraft will be quieter, I have experienced flights causing over +80 decibels throughout the day and night.

In my view, allowing Dublin Airport to retain the existing flightpaths that are not the approved flightpath from 2007 planning permission would reward bad practice in terms of planning practice and abuse of a dominant neighbour in a mixed agricultural, residential and industrial part of north Dublin. To permit Dublin Airport to use these flight paths would severely affect my family's mental health, bodily health and well-being.

Dublin Airport, since the pandemic, has been reckless in its activities. The location of my house does not attract the noise-proofing scheme they offer. Like other residents in Portmarnock, I have contacted them to advise of the continued noise pollution, but I have not heard back. We, as residents, have an enumerated constitutional right to the private enjoyment of our home dwelling. However, Dublin Airport continually breaches this despite its publicity, lobbying, and other representations.

You will find the above as my observation concerning Dublin Airport. If you have any questions, please do not hesitate to contact me.

Yours Sincerely,

Dr Richard Brophy PC
Peace Commissioner – District of Dublin & Surrounding Counties
