Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

We can no longer enjoy our home and garden which was a big part of our life's enjoyment. Aeroplane are making a turn above and near our house most of the time coming right over our house and the noise increases greater when the plane is making this turn. We can no longer even enjoy a walk around our lovely area. There was never any planning permission for this route in the 2007 planning. It is not possible to open windows in our house due to the noise. I work from home every day and the noise is a great disturbance to my mental health.
