## Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

Dear Sir / Madam

I am one of the 30,000 people who are now living under an illegal flightpath since the opening of the north Runway. The flight paths in the 2007 Planning Permission are much different to the ones in use today and since it opened. Would I get away with contravening a Planning regulation or are they trying to set a precedent for every one else.

I have had two heart attacks and a stroke and I find it difficult enough to have a good night's sleep without the roar of Planes flying over my house every night.

I trust that you will give my observation (Plea) your kindest consideration and force the DAA to abide by the laws of the County Council.  
Yours Faithfully  
Gerry J Seanok.
