Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

I am living under DAA's illegal flightpath
This flightpath today bears no relevance
to what I seen in the 2007 planning
Permission documetitation.

The noise from the current flightpath
is intolerble both day and night as
Daa continue to breach the 65
a night flight cap, which has a
detrimental effect on our sleep.

Our garden is a no go zone now
due to the insetint plane noise
every couple of minutes.

The straight out flightpath which was
approved by planning would greatly
reduce the noise level for us.

Due to profound effect this is having
on our lives I believe an oral
hearing is necessary given the
serious level of this situation.
