Dear Secretary,

Please REFUSE PERMISSION to DAA Relevant Action because the disruption to my daily life is affecting my mental health and my family's mental health. We are constantly barraged with flights over our home every few minutes. We are woke up every day with planes flying low over our house. If I'm in the garden I have to wear ear protection that you would associate with a kango hammer. You cannot allow this to continue or you will destroy our community. Everybody will have no alternative but to move house. There is alternative routes that the DAA can use but refuse to do so. They have absolutely no respect for either the homeowners and there families or Fingal CC as they have completely ignored previous planning restrictions imposed.
