## Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

Living at this address for over 35 yrs  
Age 67 both of us. Our comfort of  
living here is being destroyed by  
noise pollution since new runway  
was opened. While it is not a every  
day noise. When it happens it starts  
at 06:00 approx, and can continue  
for hours every 2-3 Mins, incl  
weekends / Bank holidays. One  
cannot preplan a barbecue etc with  
family for fear of this noise or  
the threat of same. Same for  
gardening or any work especially out  
of doors. If you are speaking on  
phone or to a person you have got  
to stop and wait till aircraft has  
passed over.

Other issues involved is the  
unauthorised development Re Planning  
I will leave that for other specialist  
in this field.

kind regards

Liam Healey
