5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

1. Wish to make serious Objections to the DAA.
I am now living under an illegal flight path since the opening of the North Runway. The flight paths in the 2007 planning permission are much different to the ones used today and since it opened. These flight paths must be changed to what was proposed in 2007.
2. It is totally unacceptable that the DAA are wanting to extend these flights both morning and night. Disrupting the lives of tens of thousands of people.
3. Health Issues:
 - a. Lack of sleep from noise disturbance at night.
 - b. Emotional impact.
 - c. Hyperacusis, humming noise from aircrafts day and night
 - d. Lights from aircrafts shining through my bedroom window while in bed at night coming straight towards me.
6. Having to keep my house windows closed summer and winter due to aircraft noise
7. Not being able to enjoy sitting in my garden relaxing, reading or listening to the Radio which once had peaceful surroundings.
8. Interrupted conversation while outside my property due to aircraft noise overhead.

Section 5 continued.

9 Devaluation of my property.

Having purchased land in 1991 and built my house for myself and family in a lovely setting and now having to endure these detrimental problems.

It must be resolved.
