To whom it may concern,

We are writing to you to dispute the plan of the bus connects corridor interacting a portion of the greenhills road. Also known as, Tallaght/Clondalkin to City Centre BusConnect core bus corridor scheme.

This plan in our eyes brings a huge displeasement to the community. The area is quiet, lived in by many, children, elderly people, pets the list goes on.

The area is proudly a wonderful green area for both use and scenery namely: pet walking especially, pets enjoy a walk on these grounds especially for elder pets who can't reach the park. Children play there. Elderly people feel safe in the area as an intersection into the estate. Building this corridor disrupts all of these activities.

Speaking for ourselves, when we moved here we never imagined such a project to take place. We have put time, money and effort into making our house a home, not a loud, disruptive traffic filled nightmare as you can probably understand. When people buy homes, they buy them for certain reasons, one for us was the peacefulness of the avenue - not the potential traffic and noise.

We are utterly disappointed in the idea which is why we are making this appeal. Don't let it happen. We don't want it to happen, as much as the other residents don't either. It truly hurts us to no end that this is a potential plan, don't harm our quiet area and I say this with utmost respect - please leave us in peace.

Kind regards,

James and Charlotte Acton
