Submissions or observations by the planning authority.

4. As a party to the appeals you may, under section 129 of the 2000 Act, (as amended), make submissions or observations in writing to the Board in relation to the appeal within a period of 4 weeks beginning on the date of this letter.

Any submissions or observations received by the Board outside of that period shall not be considered, and where none have been validly received, the Board may determine the appeals without further notice to you.

Contingency Submission

5. If the decision of your authority was to refuse permission, you should consider whether the authority wishes to make a contingency submission to the Board as regards appropriate conditions which, in its view, should be attached to a grant of permission should the Board decide to make such a grant. In particular, your authority may wish to comment on appropriate conditions which might be attached to a permission in accordance with section 48 and/or 49 of the 2000 Planning Act, (as amended), (Development / Supplementary Development Contributions) including any special condition which might be appropriate under section 48(2)(c) of the Act.
