Appeal **Re:** Construct six turbine wind farm.
Coor West, Shanavogh, Co. Clare.

Dear Sir/Madam,

I have been asked by An Bord Pleanála to refer to your correspondence dated 4th April 2013 in relation to the above mentioned appeal, the contents of which are noted.

Please be advised the Board is not in a position to arbitrate or to confirm whether Michael Gill has the specific professional requirements necessary to address the matters raised in the statutory notice issued 13th February 2013.

However, I would refer you to the section of the notice (ii)(b) where the Board requires a drainage design, prepared by a Chartered drainage engineer with experience in construction stage drainage design ideally for windfarms. It would be reasonable to assume that experience in this context could mean significant

The documents attached by you are herewith returned.

Yours faithfully,

Helen Murphy
