Appeal Re: Construct six turbine wind farm.
Coor West, Shanavogh, Co. Clare.

Dear Sir/Madam,

I have been asked by An Bord Pleanála to refer to the above appeal.

It is a statutory objective of the Board to ensure that every appeal received is determined within eighteen weeks beginning on the date of receipt of that appeal. This is in accordance with section 126(2)(a) of the Planning and Development Act 2000. Where it appears to the Board that it would not be possible or appropriate to determine a particular appeal within this period, a notice must be sent to the parties in accordance with section 126(3)(a) of the Act.

The Board hereby serves notice under section 126(3)(a) that it will not be possible to determine the case within the statutory objective period. The case is at Board level and is under active consideration. However, due to the current heavy workload at Board level, the Board needs a further short time to consider the case. All cases not determined within the statutory objective time period are now being treated as priority cases.

Please note that in accordance with section 251 of the Planning and Development Act 2000 the period between the 24th day of December and the 1st day of January, both days inclusive, shall be disregarded.

An Bord Pleanála

The Board now intends to determine the above appeal before **10th February, 2012**. The Board will take all such steps as are open to it to ensure that the appeal is determined before that date.
