RE: Windfarm at CoorShanavoghTownlands

To whom it may concern,

We the below signed want to state that we fully support the wind farm application being made by McMahon Finn Wind Acquisitions Ltd at Coor/Shanavogh. This wind farm is small in nature and we welcome the work it will bring into the community if and when construction starts.

Furthermore we have no objections to this wind farm proposal as it has been carefully thought out and we feel it will be good for not only our general area but also for the environment in the long run.

RE: Windfarm at CoorShanavoghTownlands

To whom it may concern,

We the below signed want to state that we fully support the wind farm application being made by McMahon Finn Wind Acquisitions Ltd at Coor/Shanavogh. This wind farm is small in nature and we welcome the work it will bring into the community if and when construction starts.

Furthermore we have no objections to this wind farm proposal as it has been carefully thought out and we feel it will be good for not only our general area but also for the environment in the long run.
