Dear Sir / Madam,

I have been asked by the Board to refer to the above-mentioned appeal and, in particular, to the Board's notice to you under section 126 of the Planning and Development Act 2000, in which it was indicated that the Board intended to determine this appeal before 3rd September, 2020.

I regret to inform you that, the Board will not now be in a position to determine the appeal before that date due to the necessity to further consider the case. In view of the delay involved in bringing this case to determination, priority consideration is being given to the case.

The Board hopes to receive the Inspector's report and recommendation on the appeal in the near future. Generally, as soon as the report and recommendation on the case has been received the appeal file is sent to the Board for formal consideration. Most cases are decided within a short period of their being formally considered for the first time at Board level.

The delay involved is regretted.
