Dear Sir/Madam,

We refer to our email (3) sent to you earlier this afternoon. We have just now realised that one of the attachments (item 4) to our first email was an early draft of that document and not the final version. This was an inadvertent error on our part.

Attached please find the correct final version of item 4. We should be much obliged if you would substitute this for the version attached to our first email.

We regret any inconvenience caused.

Yours faithfully,

Joe Noonan
