3. In addition to the documents mentioned above, please supply the following:-

Particulars and relevant documents relating to previous decisions affecting the same site or relating to applications for similar development in near proximity. "History" documents should include;

- a) the Manager's Order,
- b) the site location, site layout maps, all plans and
- c) particulars and all internal reports.

**Copies of plansheets are not adequate.**

Where your records show that a decision was appealed to the Board, it would be helpful if you would indicate the Board's reference.

#### **Submissions or observations by the planning authority.**

4. As a party to the appeal you may, under section 129 of the 2000 Act, make submissions or observations in writing to the Board in relation to the appeal within a **period of 4 weeks beginning** on the date of this letter.

**Please note that in accordance with section 251 of the Planning and Development Act 2000, the period beginning on 24th December and ending on 1st January, both dates inclusive, should be disregarded for the purposes of calculating the last date for lodgement of submissions or observations.**

Any submissions or observations received by the Board outside of that period shall not be considered, and where none have been validly received, the Board may determine the appeal without further notice to you.

### Contingency Submission

5. If the decision of your authority was to refuse permission, you should consider whether the authority wishes to make a contingency submission to the Board as regards appropriate conditions which, in its view, should be attached to a grant of permission should the Board decide to make such a grant. In particular, your authority may wish to comment on appropriate conditions which might be attached to a permission in accordance with section 48 and/or 49 of the 2000 Planning Act (Development / Supplementary Development Contributions) including any special condition which might be appropriate under section 48(2)(c) of the Act.

Any such contingency submission, in circumstances which your authority decided to refuse permission, would be without prejudice to your authority's main submission in support of its decision.

Please quote the above appeal reference number in any further correspondence.

Yours faithfully,

  
 Stephen Sutton  
 Administrative Assistant
