**Re:** Barna Wind Energy Ltd. 6 no. wind turbines, Lackareagh and  
Garranereagh, Lissarda and Barnadivane (Kneeves), Teerelton, Co. Cork.  
**Date:** 5<sup>th</sup> May 2021

---

The Board requested for a Section 132 Notice to be issued to applicant requesting further information. Section 132 Notice was issued to applicant Barna Wind Energy on 24<sup>th</sup> February 2021 with a response deadline of 20<sup>th</sup> April 2021.

A response was received from applicant's agent Fehily Timoney Consultants on 20<sup>th</sup> April 2021 by email. Within this response, the applicant has requested for an extension of time to submit a robust response to the Board. A request for an extension of time until **December 2022** has been requested. There is no provision in the Act to allow an extension of time for a Section 132 Notice although I recommend we re-issue a new Section 132 Notice allowing the requested time frame.

Forwarded for consideration.
