Hi Rory,

Please see attached, as discussed, two separate letters seeking a further extension to the deadline for submission of information in relation to the detail requested by the Board in their correspondence dated 13th May 2021.

The two applications combined require submission of 26 no. hard copies which is proving more challenging than we have expected. It would be greatly appreciated if you could clarify whether or not a further extension can be granted. I appreciate that an extension of time cannot be granted until the deadline has passed.

Look forward to hearing from you.

Le meas,

Conor C
