Just to note also please that Niamh Thornton – whom I'm copying on this email – is the case officer for this one.

Kind regards

Hi Kieran,

I hope all is well with you?

I'm just following up with you in relation to the Coole Wind Farm application (309770-21), just so you are fully aware we have had a number of instances where following the erection of the site notices a number have either been removed or have fallen down due to the adverse weather conditions. In this regard please note that the site notices are being monitored on a regular basis and when required have been immediately re-erected. As noted the notices are being monitored regularly and this will continue going forward to maintain the notices for the required time period. If you have any queries on this please feel free to give me a call.

Kind regards,
Paul
