Subject: ABP Ref No 309770-21 Coole Wind Farm Limited

Dear Niamh,

I refer to the proposed development of up to 15 wind turbines with a tip height of up to 175 metres and all associated site development works in Co. Westmeath by the applicant Coole Wind Farm Limited under ABP Ref No 309770-21. We recently received correspondence from outlining that the Board considers the additional further information contained significant additional data and therefore requires further public notification in one or more newspapers circulating in the area. For clarification, please note that we will also be erecting new site notices in line with this request, which is not specifically requested in the correspondence received from the Board.

Should you have any queries on the above, please get in touch.

Kind Regards,
Alan.
