**Re: Response to Further Information – Coole Wind Farm Limited: Proposed development of up to 15 wind turbines with a tip height of up to 175 metres and laying of approximately 26km of underground electricity cabling to facilitate the connection to the national grid, and all associated site development works.**

**Townlands of Camagh, Carlanstown, Coole, Clonrobert, Clonsura, Doon, Monktown, Mullagh, Newcastle and other townlands, Co. Westmeath**

Dear Sir/Madam,

I refer to the request for Further Information (FI) from An Bord Pleanála dated the 21<sup>st</sup> of April 2022, in respect of the proposed wind farm development. A fully detailed response, including appendices, in respect of the request was submitted to the Board on the 1<sup>st</sup> of November 2022 which included two paper copies and one electronic copy (USB).

I now enclose an updated electronic copy (USB) of the Further Information response to correct a minor discrepancy associated with the revised Photomontage Booklet that is included at **Appendix 7** of the response. No changes are required to the hard copies submitted to the Board.

I trust the enclosed is sufficient to allow you to continue your consideration of the application. Should you require anything further please do not hesitate to get in touch.

Yours faithfully,

Alan Clancy BA, MPlan,

Project Planner,

MKO.
