**Re: Response to Observations – Coole Wind Farm ABP, Reference No. ABP-309770-21, Strategic Infrastructure Development Application.**

Dear Sir/Madam

MKO as agent for the above-noted planning application were invited by An Bord Pleanála in their letter dated 24<sup>th</sup> March 2023 to make a submission on the observations received in relation to observations on the Response to Further Information. The period for responding to the request was extended in agreement with the Board to no later than 5:30pm on the 5<sup>th</sup> May 2023.

The client and project team have considered the matters raised in the observations received from statutory consultees and third-parties. A fully detailed response, including appendices in respect of the request are enclosed with this letter. Two hard copies and one electronic copy of the information has been provided for ease.

I trust the enclosed is sufficient for An Bord Pleanála to continue their consideration of the planning application. Should you require anything further please do not hesitate to contact me.

Yours sincerely,

Alan Clancy BA, MPlan,  
Project Planner,  
MKO.
