Re: Proposed upgrade to Limerick (Bunlicky) Wastewater treatment plant at Ballykeeffe, Co. Limerick
Date: 9th June, 2021

The above-mentioned case is a request to enter into pre-application consultations pursuant to section 37B of the Planning and Development Act, 2000, as amended.

I refer to the letter received on 12th May, 2021 from the prospective applicant. The nature of the proposed development which comes under the seventh schedule is for proposed upgrades to the existing Limerick (bunlicky) Wastewater Treatment Plant WwTP to increase the capacity from 130,000 PE to 285,000 PE.

The prospective applicant identifies "Environmental Infrastructure" as the class within the Seventh Schedule of the Planning and Development Act 2000, as amended, under which the proposed development might fall.

As such, the prospective applicant submits that the proposed development constitutes strategic infrastructure development and falls within Section 37A(2)(a), (b) and (c) of the Act.

File submitted for comments.
