Date: 12 June 2024

Re: Greater Dublin Drainage Project consisting of a new wastewater treatment plant, sludge hub centre, orbital sewer, outfall pipeline and regional biosolids storage facility
Townlands of Clonshagh, Dubber and Newtown, County Fingal and Dublin City

Dear Sir / Madam,

An Bord Pleanála has received your submission in relation to the above mentioned proposed development and will take it into consideration in its determination of the matter.

Please note a refund of € 50 will follow in due course as no payment is required as you previously made a submission on this case.

The Board will revert to you in due course in respect of this matter.

Please be advised that copies of all submissions / observations received in relation to the application will be made available for public inspection at the offices of the local authority and at the offices of An Bord Pleanála when they have been processed by the Board.

More detailed information in relation to strategic infrastructure development can be viewed on the Board's website: www.pleanala.ie.

If you have any queries in the meantime please contact the undersigned officer of the Board. Please quote the above mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Edwina McGoldrick
Administrative Assistant

Permittal Comments

Dear Sir/Madam

The whole of this
Project is from an time when
engineering was at its infancy
and New Methods were Not
available. The location of
the Storage Tanks and the
Pumping Station are located
to Connolly Hospital Hospital,
the Children Hospital and St
Francis Hospice

All sewage should

be anaerobic Digested Providing
clean water, Methane Gas for Energy

And Seeds for Fertiliser
 Putting Reserves back into
 the environment at little
 cost, Not taking injuring
 the environment and at great
 cost to the community
 Patients in the Hospitals and
 Hospices will suffer greatly
 from Smell and Noise as
 well as the surrounding
 Community.

Sincerely

Sean Lyons
