Re: Greater Dublin Drainage Project consisting of a new wastewater treatment plant, sludge hub centre, orbital sewer, outfall pipeline and regional biosolids storage facility
Townlands of Clonshagh, Dubber and Newtown, County Fingal and Dublin City

Dear Madam,

An Bord Pleanála has received your recent submission in relation to the above mentioned proposed development and will take it into consideration in its determination of the matter.

The Board will revert to you in due course with regard to the matter.

Please be advised that copies of all submissions / observations received in relation to the application will be made available for public inspection at the offices of Fingal County Council and at the offices of An Bord Pleanála when they have been processed by the Board.

More detailed information in relation to strategic infrastructure development can be viewed on the Board's website: www.pleanala.ie.

If you have any queries in the meantime please contact the undersigned officer of the Board. Please quote the above mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

P.P. Eimear Reilly
Executive Officer

Dear Sir/Madam

I am delighted to take the opportunity to once again object to this flawed project. All of our original objections still stand, environment marine life, water quality, clean air, foul smells, discharges and contamination of local conservation areas. The question of the presence and effects of microplastics has not been addressed at all. As far as I am aware there has been no independent environmental impact assessment by the environmental protection agency.

Thank You
