As a Family living in Riverside in Clonsillaugh  
 We Strongly Object against this Sewerage Plant  
 we are very FEARFUL of losing the enjoyment of our  
 home and General Health and wellbeing and our Quality of Life  
 my mother also lives in no 6 Riverside Park with my  
 brothers & sisters they also strongly Object against  
 this Project People won't be able to put out their  
 clothes or dry won't be able to open their windows  
 to air their homes we also won't be able to use our  
 back Gardens in the Summer for barbecues and family  
 gatherings this could also be a health hazard to Peoples lives  
 Bewleys is further down from where this Plant will be it is  
 10 times smaller and the Odours are in our home all  
 the time there will be no way to escape the odours from  
 this Plant. It is an absolute disgrace that Irish Water have  
 chosen this site so close to so many homes & businesses  
 the People in Meath didn't want this Sewerage Plant objected  
 and won't I would like to ask would like this on your  
 door step the People that put these Plans together don't  
 have to live near them so it doesn't bother them if this  
 plant goes ahead it will ruin all our lives when I bought  
 my home 25 years ago I did not buy it to live beside a  
 Sewerage Plant So Me and my Family say a big No to this
