Re: Greater Dublin Drainage Project consisting of a new wastewater treatment plant, sludge hub centre, orbital sewer, outfall pipeline and regional biosolids storage facility

Case reference: PL06F.301908-18

To whom it may concern

The proposed sewage plant mentioned above is now in the final phase of planning. I confirm that I object to the above proposed project and location. I enclose the fee of €50.00 with this letter. The objections are listed below:

List issues

Portmarnock only Blue Flag Beach
VALUE of the houses in the area will drop
impact on nature
environmental disaster

The same kind of plant was built in Northhampton and the smell was horrible coming from the plant.

I would ask that An Bord Pleanála to review this proposal again in light of the issues and concerns highlighted.

Yours sincerely

Eddie, NoREEN Larkin
