Re : Greater Dublin Drainage Project consisting of a new wastewater treatment plant, sludge hub centre, orbital sewer, outfall pipeline and regional biosolids storage facility.

**Case reference : PL06F.301908**

To whom it may concern,

The proposed sewage plant mentioned above is now in the final phase of planning. I confirm that I object to the above proposed project and location. I enclose the fee of €50.00 with this letter. The objections are listed below :

1. Location due to the proximity to densely populated areas.
2. Air pollution/odour/air quality.
3. Impact on wildlife.
4. Noise levels.
5. Traffic issues.

Due to the complexity of the above issues we request an oral hearing be provided so all concerns can be dealt with in public.

Yours Sincerely
