Re: Greater Dublin Drainage Project consisting of a new wastewater treatment plant, sludge hub centre, orbital sewer, outfall pipeline and regional biosolids storage facility

Case reference: PL06F.301908 -18

To whom it may concern

The proposed sewage plant mentioned above is now in the final phase of planning. I confirm that I object to the above proposed project and location. I enclose the fee of €50.00 with this letter. The objections are listed below:

List issues

Portmarnock only blue flag beach
Environmental disasters
Impact on local amenities & business & Property
Impact on nature
Smell when water is released

I would ask that An Bord Pleanála to review this proposal again in light of the issues and concerns highlighted.

Yours sincerely
