Re: Greater Dublin Drainage Project consisting of a new wastewater treatment plant, sludge hub centre, orbital sewer, outfall pipeline and regional biosolids storage facility  
Townlands of Clonshagh, Dubber and Newtown, County Fingal and Dublin City

Dear Madam

An Bord Pleanála has received your recent submission in relation to the above mentioned proposed development and will take it into consideration in its determination of the matter. A receipt for the fee lodged is enclosed.

The Board will revert to you in due course with regard to the matter.

Please be advised that copies of all submissions / observations received in relation to the application will be made available for public inspection at the offices of Dublin City Council and Fingal County Council and at the offices of An Bord Pleanála when they have been processed by the Board.

More detailed information in relation to strategic infrastructure development can be viewed on the Board's website: [www.pleanala.ie](http://www.pleanala.ie).

If you have any queries in the meantime, please contact the undersigned officer of the Board. Please quote the above mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Kieran Somers  
Executive Officer  
Direct Line: 01-873 7107

RE: Official Objection Reference no. 06F.PC0152

A Chara,

It is with the strongest of sentiment that I make this official objection to the building of the sewage plant reference no 06F.PC0152 in Clonsaugh ,Co.Dublin.

Where to start in terms of environmental issues are enormous, to deposit this level of sewage into the ocean at Portmarnock's golden strand at a secondary level standard defies logic, morally , aesthetically and environmentally.

The scale of the centre is also deeply distressing not to mention the odours, traffic and blot on the landscape aesthetically.

Please let it be noted that these are the grounds upon which I object and find attached the requested sum of fifty euro to do so.

Kind regards

  
Siobhan Hyde
