Jennifer /Kieran

I refer to the above.

I refer to our previous correspondence on 5th May 2022 and 29th June 2022 requesting an update as to the status of the remitted application for the Greater Dublin Drainage project. We acknowledge your response to each and the most recent update from 29th June 2022 where you noted that the matter is receiving attention and that you would be in touch in due course. Given the importance to Irish Water of the GDD Project in the context of the provision of Waste Water services in the Great Dublin area, I would be most obliged through the attached letter (also sent by hard copy to your offices), if you could provide Irish Water with an update as to the status of the remitted application

Regards
