Re: Greater Dublin Drainage Project consisting of a new wastewater treatment plant, sludge hub centre, orbital sewer, outfall pipeline and regional biosolids storage facility
Townlands of Clonshagh, Dubber and Newtown, County Fingal and Dublin City

Dear Sir,

I have been asked by An Bord Pleanála to refer further to the above-mentioned proposed development which is before the Board for consideration.

The Board has decided that given the passage of time since the submission of the application and the intervening proceedings, and in accordance with section 37F(1)(a) of the 2000 Act, to provide you an opportunity to update, where appropriate, the EIAR and NIS and any other information submitted.

In accordance with the provisions of section 37F(1)(c), the Board also requests that you provide your views on whether the discharge of waste water from the proposed development, in conjunction with existing discharge to the receiving waters, would cause or exacerbate breaches of the combined approach (as described in the Waste Water Discharge (Authorisation) Regulations 2007 as amended). The further information referred to above should be received by the Board within 6 months from the date of this notice (i.e. **no later than 5.30 p.m. on the 27th February 2023**).

In this regard, please submit 2 hard copies and one electronic copy of the above information. If you have any queries in relation to the matter please contact the undersigned officer of the Board. Please quote the above mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Eimear Reilly
Executive Officer
