Subject: ABP Ref. 312606-22 - Ballinagree Wind Farm RFI - Request for extension of deadline for submission of Further Information

Dear Sir, Madam,

In relation to the abovementioned application, ABP Case Number ABP-312606-22, please see attached letter from this office requesting an extension of 3 months to the deadline for the submission of Further Information requested by ABP Letter dated 2 May 2023 (copy attached for reference).

The requested 3 month extension would bring the deadline for submission of further information to 25 October 2023.

The reasoning for this request for extension is to allow for further consideration of the responses to the request (accommodating sub-consultants annual leave periods) and as such ensure that a fully detailed response can be furnished to the Board.

We trust that this is in order.

We would be grateful if you could please confirm receipt of this email, and the attached document.

If you have any queries, please do not hesitate to get in contact.

Regards,

Conor Auld
