Dear Sir / Madam,

An Bord Pleanála has received your appeal under the Planning and Development Act, 2000, (as amended). A receipt for the fee lodged is enclosed.

As the appeal relates solely to the proper application by the planning authority of their application of special contributions pursuant to section 48(12) and adopted under section 48 of the Act in respect of the condition under appeal, and as there are no other appeals against the decision of the planning authority on the planning application, the provisions of section 48(13)(a) and (b) of the Act apply.

Section 48(13)(b) of the Act provides, (where there are no other appeals under section 37), that the planning authority shall, subject to the applicant furnishing to the planning authority security for payment of the full amount of the special contributions specified in the condition the subject of the appeal, make the grant of permission as soon as maybe after the expiration of the period for the taking of an appeal.

In accordance with section 48(13)(a) the Board will not determine the application as if it had been made to it in the first instance but will only determine the matters under appeal and will issue appropriate directions to the planning authority when it has determined the appeal.

You are reminded that section 127(3) of the Act provides that an appellant shall not be entitled to elaborate in writing on, or make further submissions in writing in relation to the grounds of appeal stated in the appeal, or to submit further grounds of appeal unless requested by the Board to do so.

You will be notified of the decision when it is made.
