Re: Construction of a agricultural fertilizer facility, an additional port operational use of the jetty to facilitate cargo vessels and associated site works. EIAR and NIS submitted.
Belvelly Port Facility, Marino (Townland), Marino Point, Cobh, Co. Cork

Dear Sir / Madam,

I have been asked by the Board to refer further to our letter dated 15 March 2022.

As you are now aware, the planning authority's decision in this matter is the subject of three third party appeals and your own first party appeal. Unfortunately, due to a clerical error two case references were created for these appeals ABP-312981-22 and ABP-313012-22.

Please be advised that case reference ABP-313012-22 has been deleted and any further correspondence should quote reference number **ABP-312981-22**.

Apologies for any confusion our error may have caused.

Yours faithfully,

Siorcha Skelly
Executive Officer
