Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write. You can also insert photographs or images in this box.

(See part 6 – Supporting materials for more information.)

The proposed development, comprising 95% residential use with 5% non-residential use, on a site zoned as “Major Town Centre” (MTC) with the accompanying land use objective “To protect, provide for and improve major town centre facilities” constitutes a Material Contravention of the zoning objective as set out in Table 13.1.11 of the Dun Laoghaire Rathdown County Development Plan 2022 - 2028 and supported by policy objectives throughout the development plan, including the Core Strategy, Retail Strategy, Enterprise & Employment Strategy and Housing Strategy of the recently-adopted development plan.

MTC-zoned lands are an extremely scarce and valuable resource in the county (0.004% of the county’s land coverage). These lands underpin the Core Strategy of the development plan in terms of providing sufficient quantum of land zoned for primarily multi-functional and employee-intensive developments with a possible subsidiary residential use. There is zero policy support in the County Development Plan for predominantly residential schemes on sites zoned for Major Town Centre purposes. An Bord Pleanála are, therefore, precluded from granting permission for the development as proposed.

In addition it would appear the old buildings would be demolished erasing the character of the village. The village would become an alley way between many tower blocks. There is so much history attached to our village and this would be destroyed all for financial greed. This development is suited to a city centre not a village that cannot cope with any more traffic. My children who are local haven’t a hope of living in the area as the price of these apartments will be extortionate whether renting or buying. I believe the apartments at Notre Dame are only 40% occupied as they are so expensive. Please refuse this planning application.

5. Grounds

Against DLRCOCO's own policies. Not in the interests of local residents.
Greedy!
