(See part 6 – Supporting materials for more information.)

We have lived in Dundrum for over thirty years. It is a thriving and close knit community which has experienced significant development and change. While we recognise that there is a need to re develop the Old Dundrum Shopping Centre and indeed welcome the opportunity for the creation of new housing, we nevertheless opine that the current proposal would be totally unsuitable for the location and for the needs of current and future residents and of the community.

#### Our concerns are three fold:

- Our primary and greatest concern is that the overall planned height and density of the planned development will be at totally at odds with the existing low-rise and low- density housing and building. The proposal of 11 apartment blocks with one reaching 16 storeys would be an eyesore, overshadowing and completely out of character with the existing landscape. The proposal to build 5 storey apartment blocks on Main Street West would change utterly the character, charm and historical identity of Main Street.
- 2. The growth of Dundrum has necessitated the need for the introduction of substantial community, civic and cultural facilities. The development of the Old Dundrum Shopping Centre provides a unique opportunity to respond to this need for appropriate and future-proofed facilities. There are innumerable examples of redeveloped

# town centres which don't merely redevelop but create living, welcoming and inclusive areas for all the community. 3. This development will be 95% residential, not allowing for the provision of essential facilities, including retail and entertainment.
