Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write. You can also insert photographs or images in this box.

(See part 6 – Supporting materials for more information.)

Dundrum is zoned as a Major Town Centre. This almost entirely residential development would substantially reduce the existing level of retail and non-retail provision appropriate to that rather than – as should be hoped for – reviving the retail area and improving non-retail provision, from simple parking to more community-oriented land use.

The CDP requires respecting the character and scale of the existing Village streetscape, but this proposal involves demolishing many buildings on Main St West (part of an Architectural Conservation Area) and building a massive eyesore which in no way relates to either character or scale of what exists.

This proposal will undermine Dundrum's character as a town centre and reduce it to a dormitory suburb of Dublin, with sleeping accommodation but no social or community provision to speak of and retail provision substantially reduced.
