Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write. You can also insert photographs or images in this box.

(See part 6 – Supporting materials for more information.)

We wish to object to Hammerson-Allianz plans for Dundrum village.

We have lived in the area for the last 44 years and like the village atmosphere. This development

What Hammerson-Allianz are planning for Dundrum Village will totally change the dynamics of village life. The overall height and density of the development is grotesque and out of keeping with the low rise surrounding environment.

To demolish the historic buildings on Main street is a scandal and will totally change village life for the worst

We need community facilities, open spaces, not high rise buildings.

We need space for community events ie Dundrum festival, Farmers's Market, outdoor concerts and seating areas.

Also would be terrible to lose the restaurant's and shops that are in the village at the moment.

If this proposal is passed it will be regretted for years to come and leave us with a legacy of dense expensive housing scheme.

Supporting materials

6. If you wish, you can include supporting materials with your observation.

Supporting materials include:
