## Observation details

### 5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write. You can also insert photographs or images in this box.

(See part 6 – Supporting materials for more information.)

I am concerned about the overall height, size and nature of this proposed development and the fact that it doesn't include plans for proper community facilities and green/park area. The village would benefit more from cafes, a park area or scenic outdoor space to be developed. The lockdown and pandemic reinforced how important this sort of outdoor space and amenities are. This would add to the overall community feel of the area as opposed to a large apartment development.
