5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write. You can also insert photographs or images in this box.

(See part 6 – Supporting materials for more information.)

I live close to Dundrum Village, and I believe the proposal to construct 881 Apartments on the old shopping centre site is an excessive amount of residential accommodation on this site. This site should be a neighbour centre where there are shops, offices, an hotel , civic facilities and residential accommodation but not, almost, all residential accommodation. I accept that the old shopping centre needs to be developed and I agree that there should be residential accommodation in it , which is suitable for a village like Dundrum

Also, some of the residential accommodation should be available to purchase so that residents in 3 and 4 bedroom houses in the area can downsize to Dundrum Village and free up these houses for families.

In summary I am totally opposed to the current application, and it should be rejected.
