Report to Dublin Planning Officer

The submission SHD0009/22 was found to be non-compliant, the following conditions were not addressed:

1. A full list of up to date authorised waste collection permit NWCPO numbers and if sub-contractors are to be used please include permit details.
 2. Please confirm destination facilities that authorised waste collection holders intend to use.
 3. Please provide letters on headed paper signed by a relevant competent person from the facilities confirming acceptance of material and tonnages agreed.
 4. Please provide a more detailed response in relation to Quantities.
 5. Please ensure and confirm that waste dockets used are specific to the authorised waste collector that collected the waste load
 6. Please furnish contact details for the appointed site manager.
 - 7a. Please be aware that crushing concrete onsite will need a waste facility permit and so an application will be necessary for the carrying out of this activity. If waste facility permit is required, please see condition 7b.
 - 7b. Please acknowledge and confirm that material crushed onsite will be disposed of off-site at an authorised facility e.g. Licenced/Permitted
- Note: Crushed material from a waste recovery operation is not appropriate for the Article 27 Notification procedure
8. Please complete laboratory testing of soil onsite and provide Haz. Waste Online and Laboratory results.
 9. Please complete an invasive plant species survey prior to development and if found to be present provisions on how this will be dealt with e.g. treatment etc.
 10. Copy of an Asbestos Survey carried out prior to development and if found to be present provisions on how this will be dealt with e.g. Waste Collection, Disposal etc.
 11. Waste logs to be available in up to date digital formats for inspection
