To whom It may concern,

I am writing to object to the above planning application.

1. Priestfield Cottages will be greatly overlooked by these units blocking light from them and I doubt I will be able to see the sky from my downstairs windows.
2. There are far too many rented accommodations in this area, we have no sense of community, people move on and do not get to know their neighbours.
3. There will be a huge negative impact on the surrounding area, with limited parking spaces available at present. It will increase the already congested entrance to Priestfield Cottages and Priestfield Drive.

Kind Regards,

Valerie Boon.
