Submission on U+I - White Heather Strategic Housing Development at White Heather Industrial Estate, South Circular Road, Dolphin's Barn, Dublin 8

To whom it may concern,

I would like to make the following observations on the above referenced development on behalf of Waterways Ireland:

- Waterways Ireland are in negotiations to sell the development site to U+I
- Consideration should be given to the proposed Greenway Route which is planned between the canal and the development site, in any designs or future construction
- Waterways Ireland maintenance crews will need access to maintain the canal and its embankment and a right of way through the development will need to be maintained for this purpose

Yours sincerely,

Paul Kealy
Operations Engineer Grand Metro
For and on behalf of Waterways Ireland
