To whom it may concern,

I wish to acknowledge your letter and confirm my attendance to participate at the oral hearing on September 4th.

I wish to speak on a few points that have come to my attention since 2022 that has not been observed or included in objections submitted.

I won't take anymore than 5 minutes to raise these observations and just wish to speak at the hearing. I have no presentation just verbal points to be made.

I hope that is all in order. If I am required to submit these please do let me know as soon as possible.

Many thanks

Kate Whitworth

Hi,  
Hope this finds you well.

I've received the updated date of the 29th of October for the oral hearing however I am unable to attend as it's school holidays so I'll have my children home.

There are a number of points we wanted to raise as residents but a lot are unavailable due to holidays for the hearing.

What happens in this case, can I send them in an email for the inspector to read out.

I'm disappointed that I can't attend and I've asked someone else to represent on my behalf but it's daunting to a lot.

I look forward to hearing if our points will be taken into consideration.

Thanks
