Dear Mr. O'Donovan,

Thank you for your email. I have been asked by An Bord Pleanála to refer to your letter dated 3rd of November 2023.

The Board is currently working through a backlog of all cases including strategic housing development applications. The Board is aware of the urgency and importance of all strategic development applications and will endeavor to make decisions on all outstanding applications as soon as practicable.

Unfortunately, the board is not in a position to specify a time from for the making of a decision on this application at this time.

The Board has recently published a statement on its website in relation to the backlog of cases and can be viewed by clicking the following link:

[Ongoing delays in determining cases. | An Bord Pleanála \(pleanala.ie\)](https://www.pleanala.ie/en/ongoing-delays-in-determining-cases)

The delay in determining the application is regretted.

Kind Regards,

Lauren
