311924 CORK GAA
Old White Church Rd
CORK City

I object to Proposed entrance onto Old White Church Rd for the Building of 319 Houses and apartments

We are having 600 Houses just across the Road from this and I think is too many houses for this Road it is already a very busy Road with traffic to White Church and Hillcully

Your test were done at Quiet time of the Day

As the back and side of our Property is adjoining CORK GAA Land We request high Security palisade Fencing at least 3 meters high for our security I am also worried about our Well water we have been depending on for year's I am worried, it loose it or it will be contaminated

We have abundance of wild life to be considered and enjoyed

I must mention that about 20 years ago ~~to~~ truck loads loads of asbestos and other toxic materials were dumped on CORK County board ground I hope this is made safe or removed

Sheila O Shea

Sunville Melbarray

Old White Church Rd CORK.
