Hi Niamh,

I hope all's well. I'm due to travel overseas with work for ten days from 10 October and have a prior work commitment tomorrow morning until lunchtime. I wondered if the Inspector might allow me to make my presentation any time after lunch tomorrow or on Friday?

All the best,
John

Hi Niamh,

I just noticed that there was a slide missing from the deck that I had sent you last week and wondered if this version could be used instead (?)

All the best,
John

Dear Niamh,

Many thanks for your notice and invitation to attend the upcoming hearing on the Dart + West Railway Order on 28 September. I would like to make an oral submission in support of my written submission to the Board, if possible and would happy to send a written statement in advance of the hearing.

Best wishes,
John Devitt
