Re: DART+ West Railway Order - Dublin City to Maynooth and M3 Parkway
County Dublin, County Meath, County Kildare

Dear Sir / Madam,

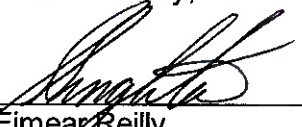

I have been asked by An Bord Pleanála to refer to the above-mentioned decided Railway Order application and to the Order dated the 18th day of July, 2024.

Please note that a clerical error occurred in Schedule 12 of the Board's Order. This clerical error was contained in Note 4 of An Bord Pleanála's explanatory notes. Note 4 of Schedule 12 of the Board's Order should more properly have read as follows:

"Note 4: The Board noted recommended condition numbers 11,12 and 13 as set out in the Inspector's report. The Board shared the intent underpinning these conditions but determined that the replacement of these with condition number 10 as set out in this Order, would secure the purpose of these conditions in a clear, usable and measurable manner, consistent with the attachment of such a condition on other railway corridor projects."

Henceforth, the Board's order should be read in conjunction with this letter.

Yours faithfully,

Re: DART+ West Railway Order - Dublin City to Maynooth and M3 Parkway
County Dublin, County Meath, County Kildare

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned decided Railway Order application and to the Order dated the 18th day of July, 2024.

Please note that a clerical error occurred in Schedule 12 of the Board's Order. This clerical error was contained in Note 4 of An Bord Pleanála's explanatory notes. Note 4 of Schedule 12 of the Board's Order should more properly have read as follows:

"Note 4: The Board noted recommended condition numbers 11,12 and 13 as set out in the Inspector's report. The Board shared the intent underpinning these conditions but determined that the replacement of these with condition number 10 as set out in this Order, would secure the purpose of these conditions in a clear, usable and measurable manner, consistent with the attachment of such a condition on other railway corridor projects."

Henceforth, the Board's order should be read in conjunction with this letter.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned decided Railway Order application and to the Order dated the 18th day of July, 2024.

Please note that a clerical error occurred in Schedule 12 of the Board's Order. This clerical error was contained in Note 4 of An Bord Pleanála's explanatory notes. Note 4 of Schedule 12 of the Board's Order should more properly have read as follows:

"Note 4: The Board noted recommended condition numbers 11, 12 and 13 as set out in the Inspector's report. The Board shared the intent underpinning these conditions but determined that the replacement of these with condition number 10 as set out in this Order, would secure the purpose of these conditions in a clear, usable and measurable manner, consistent with the attachment of such a condition on other railway corridor projects."

Henceforth, the Board's order should be read in conjunction with this letter.

County Dublin, County Meath, County Kildare

Dear Sir / Madam,

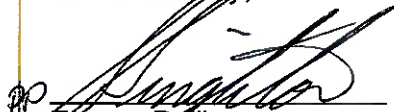

I have been asked by An Bord Pleanála to refer to the above-mentioned decided Railway Order application and to the Order dated the 18th day of July, 2024.

Please note that a clerical error occurred in Schedule 12 of the Board's Order. This clerical error was contained in Note 4 of An Bord Pleanála's explanatory notes. Note 4 of Schedule 12 of the Board's Order should more properly have read as follows:

"Note 4: The Board noted recommended condition numbers 11,12 and 13 as set out in the Inspector's report. The Board shared the intent underpinning these conditions but determined that the replacement of these with condition number 10 as set out in this Order, would secure the purpose of these conditions in a clear, usable and measurable manner, consistent with the attachment of such a condition on other railway corridor projects."

Henceforth, the Board's order should be read in conjunction with this letter.

Dear Sir / Madam,

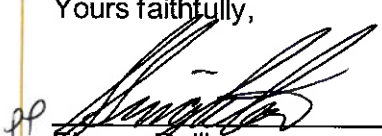

I have been asked by An Bord Pleanála to refer to the above-mentioned decided Railway Order application and to the Order dated the 18th day of July, 2024.

Please note that a clerical error occurred in Schedule 12 of the Board's Order. This clerical error was contained in Note 4 of An Bord Pleanála's explanatory notes. Note 4 of Schedule 12 of the Board's Order should more properly have read as follows:

"Note 4: The Board noted recommended condition numbers 11,12 and 13 as set out in the Inspector's report. The Board shared the intent underpinning these conditions but determined that the replacement of these with condition number 10 as set out in this Order, would secure the purpose of these conditions in a clear, usable and measurable manner, consistent with the attachment of such a condition on other railway corridor projects."

Henceforth, the Board's order should be read in conjunction with this letter.

Dear Sir / Madam,

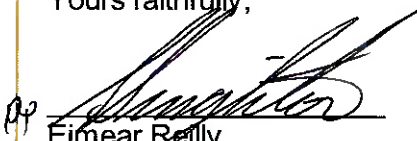

I have been asked by An Bord Pleanála to refer to the above-mentioned decided Railway Order application and to the Order dated the 18th day of July, 2024.

Please note that a clerical error occurred in Schedule 12 of the Board's Order. This clerical error was contained in Note 4 of An Bord Pleanála's explanatory notes. Note 4 of Schedule 12 of the Board's Order should more properly have read as follows:

"Note 4: The Board noted recommended condition numbers 11,12 and 13 as set out in the Inspector's report. The Board shared the intent underpinning these conditions but determined that the replacement of these with condition number 10 as set out in this Order, would secure the purpose of these conditions in a clear, usable and measurable manner, consistent with the attachment of such a condition on other railway corridor projects."

Henceforth, the Board's order should be read in conjunction with this letter.

Dear Sir / Madam,

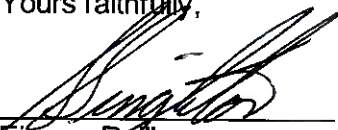

I have been asked by An Bord Pleanála to refer to the above-mentioned decided Railway Order application and to the Order dated the 18th day of July, 2024.

Please note that a clerical error occurred in Schedule 12 of the Board's Order. This clerical error was contained in Note 4 of An Bord Pleanála's explanatory notes. Note 4 of Schedule 12 of the Board's Order should more properly have read as follows:

"Note 4: The Board noted recommended condition numbers 11,12 and 13 as set out in the Inspector's report. The Board shared the intent underpinning these conditions but determined that the replacement of these with condition number 10 as set out in this Order, would secure the purpose of these conditions in a clear, usable and measurable manner, consistent with the attachment of such a condition on other railway corridor projects."

Henceforth, the Board's order should be read in conjunction with this letter.

I have been asked by An Bord Pleanála to refer to the above-mentioned decided Railway Order application and to the Order dated the 18th day of July, 2024.

Please note that a clerical error occurred in Schedule 12 of the Board's Order. This clerical error was contained in Note 4 of An Bord Pleanála's explanatory notes. Note 4 of Schedule 12 of the Board's Order should more properly have read as follows:

"Note 4: The Board noted recommended condition numbers 11,12 and 13 as set out in the Inspector's report. The Board shared the intent underpinning these conditions but determined that the replacement of these with condition number 10 as set out in this Order, would secure the purpose of these conditions in a clear, usable and measurable manner, consistent with the attachment of such a condition on other railway corridor projects."

Henceforth, the Board's order should be read in conjunction with this letter.

Yours faithfully,
